"I am so glad I convinced our board members to hire you to represent our real estate requirement. I truly think you operate your brokerage business at a higher level, and your performance proved it. You worked diligently with us for over 18 months to find the ideal solution and we found it. The results can be seen in the high quality building we purchased well below replacement cost. Not only did your extensive expertise show through our transaction, but your hustle and service made us feel like your top client. Thank you for patience and for fighting hard for us. I would highly recommend you to anyone needing superior brokerage services."

-Rick Andreen, Board Member, Circle the City
